About Obsidian Institute

Obsidian Institute of Aesthetics is Scotland's premier training academy for aesthetic professionals. With over 20 years of combined industry experience, our educators deliver hands-on, results-driven training in fully licensed clinical environments.

Every programme is designed to prepare you for professional practice from day one — with real clients, real equipment, and real techniques. All qualifications are fully accredited and compliant with Scotland's mandatory March 2026 regulations.

Training takes place across two prestigious locations in Glasgow and Edinburgh, giving students unparalleled exposure to real clinical environments.

Why Train With Obsidian?

Real Clinical Environment

Train in fully licensed clinical spaces — the same rooms where we treat real clients every day.

Scotland 2026 Regulation Ready

All programmes meet and exceed Scotland's mandatory aesthetics licensing requirements for 2026.

Expert Educators

Learn from practitioners with 20+ years of combined experience who remain active in clinical practice.

Ongoing Mentorship

Training doesn't end at certification. We provide continued mentorship and business guidance.

Flexible Payment Plans

Deposits and flexible payment plans are available on every programme, making elite training accessible.

Limited Cohort Sizes

We deliberately keep groups small so every student receives maximum individual attention and practice time.
